MODEST zoom event on PhD courses development for Strand-B "Teaching and Learning"

(26 January 2021, Tuesday, 14:00-18:00 pm of Helsinki time)

The MODEST virtual zoom-event (co-hosted by Univ Helsinki, Yerevan State University, National Polytechnic University of Armenia, and Brunel Univ London) will concentrate on reporting on the PhD courses development for the Strand-B "Teaching and Learning":

- B1 course: Organization of doctoral training
- B2 course: Educational/ constructive alignment. Design & implementation courses for PhD studies
- B3a course: Digital literacy
- B3b course: Data analysis and expert systems
- B4 course: Virtual environment

Feedbacks and comments on presented MODEST courses from the virtual event participants, and especially from PhD students, are especially welcome for further improvements of the courses.

Target groups: professors, researchers, teachers, PhD students and young researchers.
